LESSONS WILL RUN

JULY 4-15, 2022

(weekdays only)

**Levels offered will be:
Parent and Tot to level 10**

As of right now there is no schedule in place for times. This will be determined once we have an indication of how many children will be taking lessons and at what levels. Generally, in years past, the highest level starts first thing in the morning (8:30 am) and each level follows after. Preschool levels are usually in the afternoon when temperatures are warmer.

Price is a flat rate (\$65.00/child) and must be paid in full regardless of whether your child attends for the entire season.

**Payment by cash/cheque only
on first day of lessons)
{no e-transfer}**

Registration is first come first served. Space is limited so register early to reserve your spot.

If you have pre-registered with Cara Burton -no need to register again!!

Contact Marsha by email to register or with any questions: marshamae75@gmail.com

NOTE - Marsha is away the first week of May and will not answer emails during that time - but will reply to inquiries once she returns.

BOAT LAUNCH AND STORAGE AREA

A VOLUNTARY CONTRIBUTION BOX IS PLACED AT THE BOAT LAUNCH TO HELP ASSIST THE COMMUNITY WITH THE COST OF REPAIRS THAT MAY BE NEEDED REGARDING THE BOAT LAUNCH. **CABIN OWNERS ARE NOT EXPECTED TO MAKE FURTHER CONTRIBUTIONS TO THAT INCLUDED IN YOUR TAXES.**

Boat trailers must be parked in the designated area at the boat launch site. This area is for day parking and NOT long-term parking. Any trailers left outside this area will be removed by the Village Maintenance Staff and will only be returned to the owner upon payment of a fee for the removal of the trailer.

Seasonal Campers are invited to make a seasonal contribution of \$50.00 toward the cost of upgrades to the launch instead of using the contribution box by contacting the village office.

We have an area in the Eppers Beach Recreation Site for storage between the boat launch and bush pile. Boat lifts and Fish Shacks may be stored there over the winter. Please be advised that anything left in this area is left at your own risk. The office requires information on items being stored in this area, the cost to store there is \$175.00 per item for non-village property owners. So please let the office know if you plan on storing an item over the winter. In the event that you do not provide this information, your item will be towed away from the area at your own expense.

Residents of Eppers Beach can store items here for free.

Seasonal Campers are invited to use the storage area for their boats during the summer season at no cost- however storage over winter would incur storage fees.

TAX & UTILITIES

Tax Notices are sent in June of each year following adoption of each year's budget.
